

AS A PARENT, I HAVE AN ISSUE

My child has followed the student process for when they have an issue, but it still needs further follow up.

As a parent I can -

1. TEACHER

Email or book a time to discuss the issue with my child's classroom teacher.

2. PLC LEADER

Does the issue still need further clarification?
Email or book a time to talk with the year PLC Leader.

3. WELLBEING TEAM

The issue is still not resolved?
Email or book a time to discuss with a member of the Wellbeing Team.

4. LEADERSHIP

If you have followed the previous 3 steps and believe the issue needs further follow up then email or book a time with a member of Leadership.
