

STUDENT WELLBEING AND ENGAGEMENT POLICY

PURPOSE

The purpose of this policy is to ensure that all students and members of our school community understand:

- (a) our commitment to providing a safe and supportive learning environment for students
- (b) expectations for positive student behaviour
- (c) support available to students and families
- (d) our school's policies and procedures for responding to inappropriate student behaviour.

Delacombe Primary School is committed to providing a safe, secure and stimulating learning environment for all students. We understand that students reach their full potential only when they are happy, healthy and safe, and that a positive school culture helps to engage students and support them in their learning. Our school acknowledges that student wellbeing and student learning outcomes are closely linked.

The objective of this policy is to support our school to create and maintain a safe, supportive and inclusive school environment consistent with our school's values.

SCOPE

This policy applies to all school activities, including camps and excursions.

POLICY

1. School profile

Delacombe Primary school commenced 2022 with 504 students in 25 classrooms. The composition of the classrooms are 3 Grades in every year level from Grade 3 to Grade 6, with 4 Prep classes, 4 Grade 1 classes and 4 Grade 2 classes with one composite ½ class. The school commenced the 2021 school year by finalising the building program which started in 2018 and will be fully completed in May. The school students' family occupation is described as low but is steadily moving towards a more middle class demographic.

2. School Values, Philosophy and Vision

Delacombe Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. At Delacombe Primary School we are a community of learners working in a warm, positive, friendly and engaging environment where all members proudly display the values of: Respect, Responsibility, Enjoyment, Consideration, Integrity, Personal Best in order to produce happy, competent, resilient community minded individuals who are able to live productive lives.

Our Statement of Values is available online at:

3. Wellbeing and Engagement strategies

Delacombe Primary School has developed a range of strategies to promote engagement, positive behaviour and respectful relationships for all students in our school. We acknowledge that some students may need extra social, emotional or educational support at school, and that the needs of students will change over time as they grow and learn.

A summary of the universal (whole of school), targeted (year group specific) and individual engagement strategies used by our school is included below:

Universal

- high and consistent expectations of all staff, students and parents and carers
- prioritise positive relationships between staff and students, recognising the fundamental role this plays in building and sustaining student wellbeing
- creating a culture that is inclusive, engaging and supportive and that embraces and celebrates diversity and empowers all students to participate and feel valued.
- welcoming all parents/carers and being responsive to them as partners in learning
- analysing and being responsive to a range of school data such as attendance, Attitudes to School Survey, parent survey data, student management data and school level assessment data
- teachers at Delacombe Primary School use an instructional framework to ensure an explicit, common and shared model of instruction to ensure that evidenced-based, high yield teaching practices are incorporated into all lessons
- teachers at Delacombe Primary school adopt a broad range of teaching and assessment approaches to effectively respond to the diverse learning styles, strengths and needs of our students and follow the standards set by the Victorian Institute of Teaching
- our school's Statement of Values are incorporated into our curriculum and promoted to students, staff and parents so that they are shared and celebrated as the foundation of our school community
- carefully planned transition programs to support students moving into different stages of their schooling
- positive behaviour and student achievement is acknowledged in the classroom, and formally in school assemblies and communication to parents
- monitor student attendance and implement attendance improvement strategies at a whole-school, cohort and individual level

- students have the opportunity to contribute to and provide feedback on decisions about school operations through the Junior School Council and other forums. Students are also encouraged to speak with their teachers, Wellbeing Staff, Assistant Principal and Principal whenever they have any questions or concerns.
- create opportunities for cross—age connections amongst students through school plays, athletics, music programs and peer support programs
- students are welcome to self-refer to the School Chaplain, Assistant Principal and Principal if they would like to discuss a particular issue or feel as though they may need support of any kind. We are proud to have an ‘open door’ policy where students and staff are partners in learning
- we engage in school wide positive behaviour support with our staff and students, which includes activities such as:
 - Delacombe Express, Breakfast Club, Bounce Back, Boys’ and Girls’ program, Student of the Week, Writing Stars, Mini Monets and Koorie Champions.
 - <https://www.delacombeps.vic.edu.au/bounce-back>
 - <https://www.delacombeps.vic.edu.au/b4-boys-program>
 - <https://www.delacombeps.vic.edu.au/girls-program>
 - <https://www.delacombeps.vic.edu.au/breakfast-club>
- programs, incursions and excursions developed to address issue specific wellbeing issues and behaviour
- opportunities for student inclusion (i.e. sports teams, clubs, recess and lunchtime activities)
- buddy programs including Bounce Back Buddies (Multi age groups)
- measures are in place to empower our school community to identify, report and address inappropriate and harmful behaviours such as racism, homophobia and other forms of discrimination or harassment.

Targeted

- the school has a Wellbeing team, who monitor the health and wellbeing of students and act as a point of contact for students who may need additional support
- Koorie students are supported to engage fully in their education
- all students in Out of Home Care are appointed a designated teacher mentor, having an Individual Learning Plan and being referred to Student Support Services for an Educational Needs Assessment if required
- wellbeing, teaching staff and leadership, will undertake health promotion and social skills development in response to needs identified by student wellbeing data, classroom teachers or other school staff each year
- staff will apply a trauma-informed approach to working with students who have experienced trauma

Individual

- Student Support Groups, see:
- Individual Learning Plan and Behaviour Support Plan
- Program for Students with Disabilities
- referral to Child Safety Officers and Student Support Services
- referral to other agencies

Delacombe Primary School implements a range of strategies that support and promote individual engagement. These can include:

- building constructive relationships with students at risk or students who are vulnerable due to complex individual circumstances
- meeting with student and their parent/carer to talk about how best to help the student engage with school
- developing an Individual Learning Plan and/or a Behaviour Support Plan
- considering if any environmental changes need to be made, for example changing the classroom set up
- referring the student to:
 - school-based wellbeing supports
 - Student Support Services
 - Appropriate external supports such as council based youth and family services, other allied health professionals, headspace, child and adolescent mental health services or Child First
 - Re-engagement programs such as individual timetables, smaller classroom spaces and intervention groups

Where necessary the school will support the student's family to engage by:

- being responsive and sensitive to changes in the student's circumstances and health and wellbeing
- collaborating, where appropriate and with the support of the student and their family, with any external allied health professionals, services or agencies that are supporting the student
- monitoring individual student attendance and developing an Attendance Improvement Plans in collaboration with the student and their family
- engaging with our regional Koorie Education Support Officers
- running regular Student Support Group meetings for all students:
 - with a disability
 - in Out of Home Care
 - and with other complex needs that require ongoing support and monitoring.

4. Identifying students in need of support

Delacombe Primary School is committed to providing the necessary support to ensure our students are supported intellectually, emotionally and socially. The Wellbeing team plays a significant role in developing and implementing strategies help identify students in need of support and enhance student wellbeing. Delacombe Primary School will utilise the following information and tools to identify students in need of extra emotional, social or educational support:

- personal, health and learning information gathered upon enrolment and while the student is enrolled
- attendance records
- academic performance
- observations by school staff such as changes in engagement, behaviour, self-care, social connectedness and motivation
- attendance, detention and suspension data
- engagement with families
- self-referrals or referrals from peers

5. Student rights and responsibilities

All members of our school community have a right to experience a safe and supportive school environment. We expect that all students, staff, parents and carers treat each other with respect and dignity. Our school's Statement of Values highlights the rights and responsibilities of members of our community.

Students have the right to:

- participate fully in their education
- feel safe, secure and happy at school
- learn in an environment free from bullying, harassment, violence, discrimination or intimidation
- express their ideas, feelings and concerns.

Students have the responsibility to:

- participate fully in their educational program
- display positive behaviours that demonstrate respect for themselves, their peers, their teachers and members of the school community
- respect the right of others to learn

Students who may have a complaint or concern about something that has happened at school are encouraged to speak to their parents or carers and approach a trusted teacher or a member of the school leadership team. Further information about raising a complaint or concern is available in our Complaints Policy.

6. Student behavioural expectations

Behavioural expectations of students, staff and families are grounded in our school's Statement of Values. Violence, bullying and other offensive and harmful behaviours such as racism, harassment and discrimination will not be tolerated and will be managed in accordance with this policy. Student bullying behaviour will be responded to consistently with Delacombe Primary School's Bullying Prevention Policy.

When a student acts in breach of the behaviour standards of our school community, Delacombe Primary School will institute a staged response, consistent with the Department's Student Engagement and Inclusion Guidelines. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- warning a student that their behaviour is inappropriate
- teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour

- withdrawal of privileges
- referral to school leadership
- restorative practices
- reflections
- behaviour reviews
- suspension
- expulsion

Suspension and expulsion are measures of last resort and may only be used in particular situations consistent with Department policy, available at: <https://www2.education.vic.gov.au/pal/student-engagement/policy>

Restrictive interventions such as restraint and/or seclusion are measures of last resort and must only be used in specific circumstances consistent with Department of Education and Training policy, including reporting and post-intervention supports: <https://www2.education.vic.gov.au/pal/restraint-seclusion/policy>

Corporal punishment is prohibited, by law in our school and will not be used in any circumstance at our school.

7. Engaging with families

Delacombe Primary School values the input of parents and carers, and we will strive to support families to engage in their child's learning and build their capacity as active learners. We aim to be partners in learning with parents and carers in our school community.

We work hard to create successful partnerships with parents and carers by:

- ensuring that all parents have access to our school policies and procedures, available on our school website and in paper form upon request
- maintaining an open, respectful line of communication between parents and staff
- providing parent volunteer opportunities so that families can contribute to school activities
- involving families with homework and other curriculum-related activities
- involving families in school decision making
- coordinating resources and services from the community for families
- including families in Student Support Groups, and developing individual plans for students.

8. Evaluation

Delacombe Primary School will collect data each year to understand the frequency and types of wellbeing issues that are experienced by our students so that we can measure the success or otherwise of our school based strategies and identify emerging trends or needs.

Sources of data that will be assessed on an annual basis include:

- student survey data
- incidents data
- school reports
- parent survey

- case management
- CASES21
- SOCS
